

Copilot Page Governance Checklist

TRUST controls for collaborative AI-generated content

Use before sharing or converting a Copilot Page into a formal deliverable.

Gate	Pass criteria	Pass / Review
Trace	Every material claim links to a named source and location.	☐ Pass ☐ Review
Rank	Approved decisions outrank reports, chat, transcripts and preferences.	☐ Pass ☐ Review
Uncertainty	Proposed and Not confirmed content remains visibly separate.	☐ Pass ☐ Review
Sign-off	The authorized reviewer, date and scope are recorded.	☐ Pass ☐ Review
Transfer	Only the released Page scope moves to Word, PDF or the system of record.	☐ Pass ☐ Review
Access	The Page link and component permissions match the intended audience.	☐ Pass ☐ Review
Change	Every material collaborative edit has previous value, new value and source.	☐ Pass ☐ Review

Release statement

I confirm that the Page has been checked against the named sources, unresolved items remain clearly marked, sharing is appropriate, and only the approved scope may be transferred.
